## INTRODUCTION

The Historical Geography Research Centre has the honor of inviting you to join the **Military and Postmilitary Landscapes** conference that is held under the Central European Conference of Historical Geographers series. The conference takes place in the heart of Europe, the historical city of Prague, Czechia, on February 14 – 15, 2018.

The conference focuses on the historical and geographical contexts of causes, course, consequences and interpretations of diverse conflicts. Especially, it aspires on rich discussion of the changes within places, regions and landscapes caused by the broadly understood processes of militarization and demilitarization, in different temporal, spatial and societal contexts.

## VENUE

The conference will take place in the main building of the Faculty of Science, Charles University. The address of the conference venue is: Albertov 6, 128 43, Prague 2, Czechia. For more information and maps, please see our [website](#).

## HOW TO GET THERE

There are many options how to reach the conference venue from the Václav Havel Airport Prague by public transport. However, we recommend to take the bus line 100 (direction Zličín) to the underground station Zličín. From there take the underground line B (yellow; direction Černý Most) and go to the station Karlovo náměstí (exit in direction Karlovo náměstí). There you can use any of tram 14, 18, 24 to the stop Albertov.
